Conflict Minerals Policy

“ILT is a privately held company and thereby not required to file reports with the SEC in compliance with Section 1502 of the Dodd-Frank Act. Though we are exempt from this requirement, we do manufacture products for companies that are bound by the SEC requirements regarding Conflict Minerals. Therefore, we are working with our suppliers to be in compliance with the Dodd-Frank Act concerning the Conflict Minerals Tungsten, Tantalum, Gold and Tin. Evidence of the origins of sources of any use in any amount of these “Conflict Minerals” in our suppliers product shipped to ILT must be provided”.

If you have questions about a specific ILT product meeting the requirements of the Dodd-Frank Act please provide the specific ILT part number(s) that you have bought from us in the past two years and send this request to quality@intl-lighttech.com. We can only respond to specific requests if supplied with the ILT part number.
